"I shall pass through this world but once. If, therefore, there be any kindness I can show, or any good thing I can do, let me not defer it or neglect it, for I shall not pass this way again."

Who am I?
I feel like
a displaced
minority of one.

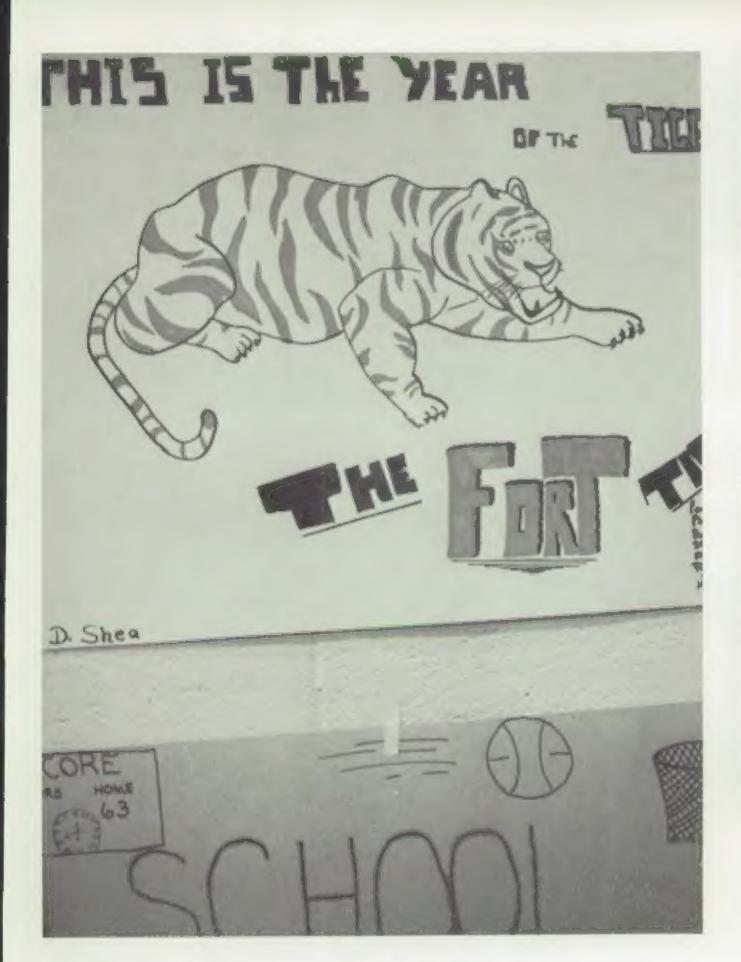

A minority that knows no companions.

A minority that knows no one to trust.

A minority that fears people.

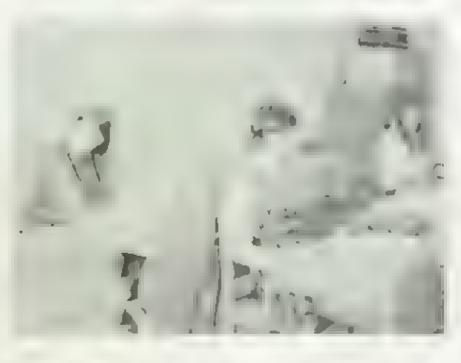

A minority that can't identify.

A minority that fears.

I fear myself
I fear people
I fear like one who
trusts not even himself
